

LOGLINES:

Shadows of Doubt

An obstinate young psychology professor unintentionally witnesses a gangland style murder. As the sole eyewitness, she is determined to see that justice is done and testifies against a mob boss's nephew. A seemingly crooked FBI agent manipulates her into doubting her decision. Shadows of doubt and a criminal look alike make her recant her testimony. Justice prevails and in the end we realize that the professor and the FBI agent were working together all along.

Aloha Life

A jaded, turning 40, US Army Captain in charge of base recreation in Hawaii has pulled one too many pranks. As punishment he is assigned to watch over the 21 year old daughter of the Taiwanese foreign minister while she cavorts with her sorority friends on the island. When she gets kidnapped from a local nightclub, all hell breaks loose. The Captain, his two crazy roommates, and a new girlfriend embark upon a series of zany adventures in an effort to find her. At the Annual Get Leid Party everyone shows up and the kidnapping is solved.

The Girl from Ipanema

An unsuspecting software executive inadvertently finds himself in the middle of a terrorist plot led by the son of Osama Bin Laden. A beautiful, young CIA agent, fueled by revenge, is working undercover to foil his plot. Together, with the help of a reformed hacker and the military, they stave off an electronic and chemical attack on the United States.

Tornado Alley

A washed up, drug dealing baseball player rekindles his love for the game after inheriting a troubled, minor league organization. After a deal gone wrong, he leaves his past behind and moves to Tornado Alley to create a new future with the team. Building new relationships with past friends and a new girlfriend, his past catches up with him and threatens to ruin everything.

Changing Intentions

A rich, young investment banker is caught up in the dotcom frenzy and is a deal away from starting his own company. Reality strikes as the market crashes in 2000 and so do his dreams with his company, his fiancé and his life. With nothing left but a duplex in Bellingham, he fosters a friendship with the environmentalist couple living downstairs who introduce him to a new relationship, a new business and a new life. He stumbles down the old path of big business, but realizes the error of his ways and reforms.
